EXPERIENCE / TRANSFERABLE SKILLS

2016 - 2022

Practice Manager | Senior Dental Assistant

Generations Dental

Achievements / Transferable Skills

- **Hard Working:** Headhunted to fill the role of Practice Manager at a local dental clinic, required to 'hit the ground running'. Team achieved a 8-10% revenue increase every year (exception of 2020, due to COVID).
- **Creative:** Revamped branding of the clinic, re-designed business cards, letterheads, signage, consistently asked to design PowerPoint presentations and brochures for my employers extracurricular events (e.g. Rotary, Church).
- **Keen Interest in Technology:** Engaged an external supplier to start a clinic Website, and manage SEO. Maintained Google My Business, also instigated online bookings, increasing new patient acquisitions.

2014 - 2016

Dental Assistant | Receptionist

Family Dental Care

Achievements / Transferable Skills

- **Quick-Learner:** Trained from the ground up to become a Dental Assistant, within 3 months, I was running the clinic as acting Practice Manager for 6 weeks.
- **Approachable/ Good Communicator:** Able to establish instant rapport with patients, colleagues, and Dentists alike.
- **Proactive:** Started and maintained the company Facebook page.
